

Consulting Utility Forester – CA

Position Summary:

ACRT Inc. is currently seeking energetic entry-level and experienced professionals who enjoy working outdoors. Our field positions are ideal for entry-level professionals with an educational background in forestry, horticulture, arboriculture, environmental studies, conservation or related disciplines and seasoned professionals with experience in these fields and line of work.

Our Foresters perform identification, inspection, and evaluation of trees and brush along utility lines; Submit inspection results to clients with recommendations; Plan, direct, and coordinate the activities of assigned tree clearance crews; Discuss and negotiate line-clearance crew access issues; Serve as a liaison between clients, tree crews, and client customers.

Requirements:

- Degree or experience in Forestry, Horticulture, Natural Resources or related fields
- Ability to identify local trees and knowledge of growth rates
- ISA Certification and utility vegetation management experience a plus, but not required
- Ability to work independently, strong verbal and written communication skills
- Ability to work in rugged terrain and inclement weather
- Ability to read and follow maps
- Valid Driver License and ability to drive and operate a 4x4 vehicle
